

Privacy Statement

Texas Connect is committed to maintaining the privacy of our participants. This statement explains how we protect the security and confidentiality of our participants' information.

WHO THIS STATEMENT APPLIES TO

This statement applies to participants who open relationships directly with Texas Connect through its designated program administrator, Public Funds Administrators, a subsidiary of Meeder Investment Management, Inc. ("Meeder"). It applies to Meeder's affiliated companies, including Meeder Public Funds, Inc., Meeder Asset Management, Inc., Meeder Advisory Services, Inc., Meeder Distribution Services, Inc., and Mutual Funds Service Company.

INFORMATION WE COLLECT

We collect information about our participants from information provided by you or your representative on applications or forms, such as your name, address, contact information, and tax identification number; information about the transactions in your account, such as your account balance and transaction history; and information we obtain from third parties to verify your identity or transfer your account.

INFORMATION WE SHARE WITH OUR AFFILIATES

Our affiliates are financial service providers that offer transfer agency, accounting, participant servicing, investment advisory, and other financial services. We share information about our participants and their accounts with our affiliates to service your account. In addition, we may also share information about our participants with our affiliates to alert you to other products or services offered by Meeder.

INFORMATION WE SHARE WITH THIRD PARTIES

We share information we collect about you with unaffiliated third parties to perform services in connection with your account. Information provided to third parties may not be used for any other purpose and Meeder does not permit unaffiliated third parties to use participant information to market their products or services.

HOW WE PROTECT INFORMATION ABOUT YOU

We maintain policies, and require all unaffiliated third parties to maintain policies, to safeguard participant information. We restrict access to nonpublic information about you to those persons who need to know that information to provide products and services to you. We also maintain physical, electronic, and procedural safeguards to guard your nonpublic information.
